

STATOS 2013: Statistics, Optimization, and Signal Processing

A Workshop in memory of Alex B. Gershman

... and his journey from Nizhny-Novgorod to Darmstadt

June 15-16, 2013, Darmstadt, Germany (right before IEEE SPAWC 2013)

Featuring a program packed with cutting-edge in-depth tutorials in
Statistics, Optimization, Signal Processing and applications.

Honorary Chair:

Mos Kaveh, U. Minnesota

General co-Chairs:

Georgios B. Giannakis and
Nicholas D. Sidiropoulos,
U. Minnesota

Technical co-Chairs:

Abdelhak Zoubir and Marius
Pesavento, TU Darmstadt

Publicity Chairs:

Max Wong, McMaster
Tim Davidson, McMaster

Committee Members:

Ananthram Swami, ARL
Fulvio Gini, U. Pisa

European Association
for Signal Processing

A rare opportunity to listen, learn, and interact with experts in an intense 2-day workshop comprising 1-2 hour tutorials to celebrate Alex's legacy. The proceeds will help build an education fund in memory of Alex.
See you in Darmstadt !

Confirmed speakers:

If you plan to attend IEEE SPAWC 2013, note **new SPAWC** paper submission deadline: Feb 18. SPAWC runs June 16 - June 19, 2013, right after STATOS.

	Moeness Amin Villanova U.		Bjorn Ottersten U. Luxemburg & KTH
	Sergio Barbarossa U. of Rome "La Sapienza"		P.P. Vaidyanathan, Caltech
	Yonina Eldar Technion		Alle-Jan van der Veen, TU Delft
	Geert Leus TU Delft		Wotao Yin Rice U
	Ken Ma Chinese U Hong Kong	+ Chair's bonus	  Georgios Giannakis Nikos Sidiropoulos

Registration: Students: 200 € Regular: 400 € Gold (includes lecture videos): 800 €
Net proceeds will benefit the education fund. Mark your calendars!
