

14th IEEE International Workshop on Signal Processing Advances in Wireless Communications (SPAWC)

You are cordially invited to join us at the 14th Annual International Conference of the IEEE, SPAWC which is held from June 16th to June 19th, 2013 at the congress center "Darmstadtium" in Darmstadt, Germany.

This prestigious event is devoted to recent advances in signal processing for wireless and mobile communications, information and network theory. The technical program will feature keynote addresses and tutorials by leading researchers, as well as invited and contributed papers.

The conference program will consist of invited plenary lectures, symposia, workshops and various sessions. All papers will be peer reviewed, and accepted contributed and invited session papers will appear in the Conference Proceedings and be indexed by IEEE Xplore.

Please note that this invitation for participation does not, in any way, financially oblige either SPAWC 2013 or the IEEE Signal Processing Society (SPS) for the expenses you incur for travel and conference attendance, and all conference participants are expected to pay the registration fees according to conference policy. You will have access to a more customized invitation letter (to include your name and paper information) once your paper has been accepted.

Please visit www.spawc2013.org to learn more. We look forward to your participation in SPAWC 2013 !

Sincerely,

A handwritten signature in black ink, appearing to read "Abdelhak Zoubir".
